

CERTIFICATE OF ANALYSIS

Product Name	Microcrystalline Wax		
Package	25kg/piece		
Batch Quantity	2000kg	Sampling Amount	300g
Batch Number	20240402	Manufacture Date	2024.04.02
Report Date	2024.04.03	Expiry Date	2026.04.01

Items of Analysis	Specification	Results
Appearance	White, or slightly yellow block or particles, opaque, smooth surface	White particles, opaque, smooth surface
Melting point (°C)	70° - 90°	80.1
Oil content, % (m/m)	<3	2.68
Color/number	>1.5	4.1
Kinematic viscosity (100°C), mm ² /s	>10	16.2
Penetration (25°C, 100g), 1/10mm	>15	17.7
Penetration (35°C, 100g), 1/10mm	>25	30.6

Storage: Store in tight, light-resistant containers, avoid exposure to direct sunlight, moisture and excessive heat.

Shelf Life: 24 months if store under the conditions above and stay in the original packaging.
