MANGO BUTTER
Material Safety Data Sheet

Product Name

Mango Butter

Supplier XIAN IMAHERB BIOTECH CO.,LTD

Composition/Ingredients Information

INCI name: Mangifera Indica

CAS: 68424-60-2

Substance name: natural triglyceride

Hazardous components: none

Chemical family: triglyceride

Hazards Identification

Risk phrases: none

Health effects – eyes: none

Health effects – skin: not expected to present a significant skin hazard under anticipated conditions of normal use. Non irritant.

Health effects – inhalation: not expected to present a significant skin hazard under anticipated conditions of normal use.

Health effects – ingestion: not expected to present a significant skin hazard under anticipated conditions of normal use.

First Aid Measures

Inhalation:

Remove victim to fresh air.

Eye contact:

Rinse immediately with plenty of water for at least 15 minutes. Contact a doctor if pain, blinking, tears or redness persists.

Skin Contact:

Wash thoroughly with mild soap and water.

Ingestion:

No problems if ingested.

Fire Fighting Measures

Flammable class: combustible.

Prevention: no naked lights. No smoking. Keep away from sources of ignition.

Extinguishing media: carbon dioxide. Dry chemical. Foam. Water spray – DO NOT use direct water spray.

Special exposure hazards: none.

MANGO BUTTER
Material Safety Data Sheet

Accidental Release Measures

Personal precautions:

Equip clean up crew with proper protection.

Environment precautions:

Notify authorities if liquid enters public waters.

Cleaning up methods for spillages:

Remove all potential ignition sources. Contain spilled material. Cover with an inert or non-combustible inorganic absorbent material, sweep up and remove to an approved disposal container. Observe state, federal and local disposal regulations.

Handling & Storage

Precautions in handling:

Apply good manufacturing practice and industrial hygiene practices, ensuring proper ventilation. Observe good personal hygiene, and do not eat, drink or smoke whilst handling.

Storage conditions:

Store in tightly closed original container, in a cool, dry and ventilated area away from heat sources and protected from light. Keep air contact to a minimum.

Exposure Controls/Personal Protection

Respiratory protection:

No special respiratory equipment is recommended under normal conditions of use with adequate ventilation.

Eye protection:

No special eye protection is required.

Work/Hygiene practices:

Wash hands with soap and water after handling.

Physical & Chemical Properties

Colour: white – dark/golden yellow

Physical state at 20°C – liquid.

pH: neutral

Solubility in water (% weight): none

Flash point (°C): not less than 250°C

Specific gravity- approx: 0.9

Stability & Reactivity

Generally stable.

Conditions to avoid: open flame.

Toxicological Information

Not considered toxic at typical pharmaceutical/cosmetic doses.

Ecological Information

This compound can be redistilled or otherwise repurified and re-used.

Disposal Considerations

According to local authority regulations.
