Actives, %	99.0 - 99.9	99.9%
ADDITIONAL INFORMATION		
Product Description	Olivem 1000 is a PEG-free non-ionic oil-in-water emulsifier developed from natural olive chemistry. It is an emulsifier and thickener which is compatible with a wide variety of cosmetic and active ingredients over a wide pH range (3 to 12). Safe and clinically tested to be hypoallergenic, it provides creams with an excellent spreadability with no soapy effect	
Applications	<ul style="list-style-type: none"> • Day and night creams • Face cleansers and deep hydrating emulsions • Face and eye-contour creams • Hypoallergenic tested creams • Make-up: mascara, creamy foundations and eye-liners • Sun-screen and after-sun products • Baby care products • Hair conditioning creams • Self tanning products 	
Packaging	25kg / drum
